THE SHOPPER'S PARADISE

FOREWORD

Message from

YAB DATO' SERI DR. MOHAMAD KHIR BIN TOYO

Selangor Chief Minister

Selangor, which is one of the main gateways into Malaysia, has seen tremendous growth and development over the years.

It is now regarded as a shopper's paradise as can be seen from the great number of shopping complexes and malls that have mushroomed in the state, especially in the Klang Valley. For this reason, the Selangor State Government has put together this comprehensive guide for tourists to venture into the amazing shopping experience in Selangor.

The publication of the "Selangor Shopping Guide" is indeed timely, especially when the state government is actively promoting Selangor as a major tourist destination in Malaysia. I am confident that this guide will be helpful in ensuring that your visit to Selangor will be a pleasant and enjoyable one.

I look forward to your continued patronage to our state and hope that you will have a memorable and exciting stay in Selangor. Please spread the word to your friends and relatives back home and encourage them to visit Selangor.

Lastly, I would like to commend the Tourism Section of the Selangor State Economic Planning and Development Units for its tireless efforts in publishing this edition of the "Selangor Shopping Guide". Given adequate promotion and publicity as well as the necessary backup from the local tourism industry, I am confident that Selangor will emerge as a major shopping destination in Malaysia.
